

AMENDMENT TO THE CHAIRMAN'S MARK
OFFERED BY MS. LUMMIS

[Tier One - Final]

[Amendment #9]

[Prevent the energy reserve fund from imposing a cap and trade system.]

This amendment will amend the energy reform reserve fund to prevent its use for any legislation if it includes any provision that imposes a cap and trade emissions policy.

Amend the Chairman's Mark:

At the end of section 303 of this concurrent resolution, add the following sentence: "The chairman of the Committee on the Budget shall not revise the allocations, aggregates, and other appropriate levels pursuant to this section for any bill, joint resolution, amendment or conference report that includes a provision for a cap and trade program that would limit, impose allowances, tax carbon emissions, or a carbon tax levied on the carbon content of products."
